15 This is a recommendation from Mr Doune for the grant to his clerk Shamiengar, of the concessions specified in para (iii) of the G.O dated 9.4.07. It is stated that Shamiengar's son aged 13 years was bitten by a rabid dog and that Shamiengar took him to Coonoor and got him treated at the Pasteur Institute. The request is that he may be paid out of State funds the expenses incurred by him in taking his son to Coonoor and bringing him back, and getting him treated there. The amount claimed is Rs 69 & 15 as per bill received made up of 2nd class railway fare to him and his son maintenance charges for 18 days and house rent at Coonoor. The certificate granted by the medical officer at Bangalore is said to have been delivered at the Pasteur Institute Mr Doune certifies that Shamiengar is a poor man with a large family.

16 The object of granting the concessions is to provide the necessary help to persons bitten by a rabid dog, who without such help may find it difficult to proceed to Coonoor and may not obtain the benefit of the treatment at the Pasteur Institute. When however a man proceeds to the Institute and obtains treatment there without previously seeking any aids from Govt, there does not seem to be sufficient reason why Govt should afterwards reimburse him of his expenses. Further the amount claimed by Shamanna is very much more than what the Rules allow - He is not entitled to the Railway fare or the house rent claimed or to as much as is claimed on account of maintenance -
